Hello my dear ~

Patty Hevle sent out an email last week addressing these same questions, as well as others.

Since she responded to them, I've asked her to forward the email to you.

She's out to lunch right now but will be back at 2:00 p.m.

Thank you,

Yvonne Rivera

Hi!

The south Conference Center is set aside for you, but I have some questions that I need answered.

- 1) Do you need help with the audio-visual system?
- 2) Will there be a staff person on hand during this meeting (Ralph has specifically asked that there be someone present)?

Thanks a bunch – just let me know as soon as you can.
