Just got the DVD this morning and I'll let you know when it's loaded.

On the CRM, all topics are currently assigned to LaVonda. Review the list with her and let me know which ones should be reassigned to whom, then I'll set you both up with a CRM account.

Topics:

Elections/voting
Municipal Code
Public Records
Other (Town Clerk)
Town Council

Good Morning Kathie Martin, how are you doing?

Could you please let me know as soon as the video for Monday night's Blue Ribbon Water Committee is placed on our webpage? I need to close my minutes and would like to review a few things.

Also, now that I'm taking over Patty's job I need to know how to get my own password in order to respond to the general requests that are routed through CRM. If you don't know what I'm referring to, just give me a call. *Also, Deb Thomas will need her own password as well.

Thank you so very much for your assistance!
