We can change the date on the original FUA – no need for a new one. Just let me know when and what time and I'll take care of it. Thanks.

Good Morning,

This is to let you know that the Blue Ribbon Water Committee Meeting has been cancelled for September 12, 2011. Therefore, video and IS support will not be necessary.

In addition, I have the new date for the re-scheduled meeting so do I need to fill out another Facility Use Agreement form or can we just change the date on the existing one? Please advise.
