Could Chicago's Parking Lease Deal Actually Be Working?

In November of 2010, EfficientGov reported on the City of Chicago's parking meter lease deal in which it received more than \$1 billion in return for 75 years of 30,000+ parking meter revenue. While most of that money has been spent to remedy a budget disaster, a new study shows that the deal may be working out for Chicago drivers...

Shed The Lead and Stay Ahead of the Law

As a member of the drinking water industry, are you compliant with the existing laws? The upcoming regulations? Get the answers you need at [ShedtheLead.com](#). Watch this video to get the details on how NSF/ANSI is changing the requirements for lead leaching and the federal government is changing lead content for water meters - and learn how Neptune already met the requirements years ago.

About Us

EfficientGov is a weekly email newsletter & website focused on cross-pollinating innovative and cost-effective municipal policies. Our staff is led by Editor and Publisher, Barry Greenfield, a Selectman in Swampscott, MA and a 25-year veteran of the media industry who is syndicated on [theAtlantic.com](#) and to more than 400 GateHouse Media newspapers in the US. We are an independent, privately owned company with offices in Orange County, CA and Boston, MA.
