Kathie,

It seems to me that a long term resident/council member would be more credible. Let's ask Scott if he will accept this piece as written so we can be timely in our response. If not, perhaps Bruce Williams? Surely we can identify someone who has lived here long enough to remember those days. Let's resolve this by the end of today!

I was prepping for tomorrow's internal ed board meeting and realized I never sent the attached letter, which was finalized while I was out of town. Who do you suggest we have sign this one? Because it's focused on setting the record straight, I wonder if this one would be appropriate for staff - Frank?
