**ORDER CORRECTING ERRORS IN DECISION 10-10-035**

The Commission has been informed of two errors in Decision 10-10-035. Therefore, pursuant to Resolution A-4661,

**IT IS ORDERED** that Decision 10-10-035 is corrected as follows:

1. The correct text of Ordering Paragraph 2 should include the figure 8.68% and not 8.55%. Therefore, the correct text is:

San Jose Water Company must file a Tier 1 advice letter to implement the rate changes to reflect the change in the 2010 cost of capital of 8.68%.

2. The second full paragraph on page 68 erroneously omitted reference to Valencia Water Company and is corrected to read:

San Gabriel and Valencia chose not to establish a 2010 Cost of Capital Memorandum Account authorized by D.09-12-019 and therefore they need not make any rate adjustments before

the effective date of this decision, and appropriate changes have been made to this decision.

3. Application 09-05-001 et al. are closed.

This order is effective today.

Dated December 30, 2010, at San Francisco, California.
