

# H<sub>2</sub>Ouch!

The town of Apple Valley's  
costs are rising  
higher and higher

---

High-priced Town lawyers, PR firms, research companies, appraisers and consultants are costing lots of money.

The costs are rising higher and higher in the Apple Valley **Town government's takeover attempt** of Apple Valley Ranchos Water Company.

No one knows how much it will ultimately cost taxpayers,  
**but it will be more.**
