Re: Request for Public Records No. 2016-253 Received on September 22, 2016 - Determination

Dear Mr. Raven:

This is in response to your Request for Copies of Public Records received by the Town of Apple Valley on September 22, 2016, for the following records:

"All offers to purchase Apple Valley Ranchos Water Company and/or Liberty Utilities submitted to either company or their parent companies, including "standing orders" to buy."

We are treating your request as a request for public agency information in accordance with California Government Code Section 6250 and following (the California Public Records Act), which requires that public agencies make reasonably identified, non-exempt public records available for inspection or provide copies upon payment of the direct cost of duplication.

Pursuant to Government Code Section 6253(c), Town staff has identified over 700 pages of records responsive to your request and they will be made available to you beginning Tuesday, October 11, 2016. Please note Mr. Marc Puckett, Assistant Town Manager has requested a deposit of \$200.00 to begin the copying process. In the alternative, you are welcome to bring in your own copy service to duplicate those available records. Please contact our offices and we will be happy to make an appointment for you.

The Town Clerk's office is responsible for making this determination. Thank you for your request.

Sincerely,

Debra L. Thomas
Deputy Town Clerk
Records Management
